## ***HAPPY NEW YEAR!!***

The beginning of a New Year is a good time to reflect on the past year and count your blessings. Also, it is good to note the difficult changes that occurred and seek the Lord's comfort. For many people there were some great milestones to celebrate and for others it was a time a significant loss and pain at the death of a love one. Unfortunately, time moves on and we should stop in anticipation for how the hand of God will work in our life in this New Year.

Please take time and pray. Ask God to help you over the tough losses and to help you to build on the successes of the past year. Also, be intentional about the things that draw us closer to God.

Spend time in prayer and scripture reading. Have a plan to schedule a daily or weekly devotional time. There are many great ways to plan our a daily or weekly time of prayer and scripture reading. I would be glad to visit with you about developing a daily or weekly devotional time.

If it has been awhile that you haven't been to church, come on back. We would love for you to worship with us and to join us in ministries of our church. Unfortunately, there are things that come up that keep us from attending church, but please know we would love for you to join us again.

As we mark the end of the Old Year and the beginning of a New Year, may you experience the renewing grace of God's hand in your life in the New Year of 2019.

Bro. Charlie
